Hold harmless agreement

As the owner of the property at _____ in East Bridgewater I authorize the East Bridgewater Department of Public Works (DPW) to enter onto my property for the purpose of delivering materials I have requested. Included in this authorization is the acknowledgement of certain risks to my personal property including but not limited to any damage to driveways, walkways, buildings, septic systems, irrigation systems, lawns, landscaping, power lines or any other personal or commercial objects.

I agree to hold harmless the East Bridgewater DPW, its employees, elected officials, agents and representatives for any damage resulting from the delivery I requested. I assume all risks associated with the delivery and agree to release the Town of East Bridgewater from any and all liability in connection with the actions of the DPW during the process of delivering the requested material.
